

Best-in-Class PMOs

More Training, Higher Performance

In every study PM Solutions has conducted for decades, this remains the same: high-performing organizations offer more kinds of training, for more days, and in more advanced topics. In *The State of the PMO 2022*:

High-Performing PMOs Offer a Variety of PM-Related Training

With 97% of high-performing PMOs offering project-management-related training, here is the percentage of PMOs responsible for each type of training course:
